In-Video Quizzing with LMS Integration

The screenshot displays the 'Quizzes' interface. At the top, there are navigation options: 'Manage Media' and 'Create Recording'. Below this, a video player titled 'Exploring the Solar System' is shown. The video content includes a presenter and a diagram of the solar system with text: 'In other words, the sun is hidden by the moon.' A quiz overlay is active, titled 'Add Question at 1:52', with options: Multiple Choice, Select Multiple, Short Answer, True or False, Reflective Pause, Decision Point, and Fill-In-The-Blank. To the right of the video player is a 'Question List' with the following items:

- 1:10 - What is the main component of the Sun?
- 1:28 - What is the name of the dwarf planet located beyond Neptune?
- 2:00 - Which planet is known as the "Red Planet"?
- 2:23 - What is the name of the largest planet in our solar system?
- 2:23 - Which planet has the longest day?
- 2:46 - Which planet is closest to the Sun?
- 3:15 - What is the name of Earth's natural satellite?
- 3:46 - Which planet is famous for its prominent ring system?

Below the question list is a 'Media Details' panel for the video 'Solar System'. It features a 'Where in the video would you like to resume?' dialog with options: 'Resume from 03:15' and 'Play from beginning'. At the bottom, there are buttons for '+ Create Video Quiz' and '+ Create Playback Quiz', a search bar for 'Search quiz title', and a list of actions: 'Exploring the Solar System' with 'Edit', 'Delete', and 'Activity Logs' buttons. A sidebar on the left contains navigation icons for Actions, General, Thumbnails, Links, Downloads, Comments, Analytics, and Quizzes.
