

A photograph of a middle-aged man with a grey beard and glasses, wearing a light blue button-down shirt. He is standing in front of a green chalkboard filled with complex mathematical diagrams and equations. He has his right hand raised, touching the chalkboard, and his left hand is gesturing. The background is partially obscured by a large blue and purple geometric overlay.

YuJa Hardware Hub - RCS-550 - Media Recording and Live Streaming

The Hub is a high-performance media encoder that integrates with existing room media devices and peripherals.

A complete recording, live streaming and video delivery solution

Scalable lecture capture

Deploy school-wide capture in every classroom

Built-in live streaming

Webcast to any desktop, mobile phone or tablet

Remote and auto-scheduling

Auto-scheduling and remote start

Redundant and Scalable

Perfect for high-volume recording spaces

Interactive multi-stream player with deep search, viewing and note-taking capabilities

01.

Multi-stream audio and video capture (up to 6 streams)

02.

Share slide content, document cameras, smartboards, and more

03.

Automatic captioning for all captures

04.

Private digital note-taking and bookmarking

The screenshot displays the YuJa player interface. On the left, a video stream shows a man speaking, with a callout '1' pointing to it. In the center, a slide titled 'What, How, and for Whom? Central Planning Versus the Market' is shown, with a callout '2' pointing to the text 'Three Problems All Economic Systems Must Address'. Below the slide, a timeline of thumbnails is visible, with a callout '3' pointing to one of them. On the right, a search bar is at the top with a callout '7'. Below it is an 'INDEX' table of contents with timestamps. Further down is a sidebar with tabs for 'SLIDES', 'CAPTIONS', 'NOTES', 'COMMENTS', and 'RESOURCES', with a callout '4' pointing to the 'NOTES' tab. At the bottom right, there are buttons for 'View Shortcuts' and 'Download Notes', with a callout '5' pointing to the 'Download Notes' button. A callout '6' points to the 'INDEX' header.
