

YuJa Verity Test Proctoring Platform

Ensure academic integrity with secure test proctoring.

The image shows a woman in profile, wearing a beige turtleneck sweater, sitting at a desk and looking at a computer monitor. The monitor displays the YuJa Verity Test Proctoring Platform interface. The interface includes a sidebar with navigation icons for Account, Admin, Dashboard, Courses, Groups, Calendar, Inbox, History, and Help. The main content area shows a quiz titled "Media Ethics and Literacy: True/False Quiz" with a "View as Student" button. The quiz instructions state: "For each statement, mark whether it is True or False. Each explanation should clarify why the statement is accurate or incorrect based on the evaluation criteria." The evaluation criteria are: "Correctness of the True/False response" and "Clarity and depth of the explanation." The quiz questions are: "Question 1: Media bias can influence public opinion or downplayed." and "Question 2: The ethical responsibility of journalists is primarily to entertain their audience rather than inform or educate them." A whiteboard overlay is visible, showing a diagram with circles labeled "Media", "Social Media", "Media Bias", "Public Opinion", and "Fake News". A video feed of the user is shown in the bottom right corner of the screen, with a "Verity Test Proctoring" overlay. The video feed shows the user's face and a "125%" zoom level. The interface also shows a "Questions" list on the right side, indicating that all five questions have been completed. The time elapsed is 5 minutes and 22 seconds.

The screenshot shows the Verity Proctoring interface during a quiz session. The top navigation bar includes the Verity logo and a user profile for George Wilson. The main content area is divided into three sections: a sidebar on the left, a central workspace, and a right-hand panel.

Sidebar (Left): Contains navigation options under 'PROCTORED TOOLS' (Automated Proctoring, Lockdown App, Mobile App, Live Proctoring, Live Check-in Proctoring), 'REPORTS' (Institution Report, Course Report, Assessment Report), and 'SETTINGS' (Institution, Course, Integration, Scope Settings, User Settings).

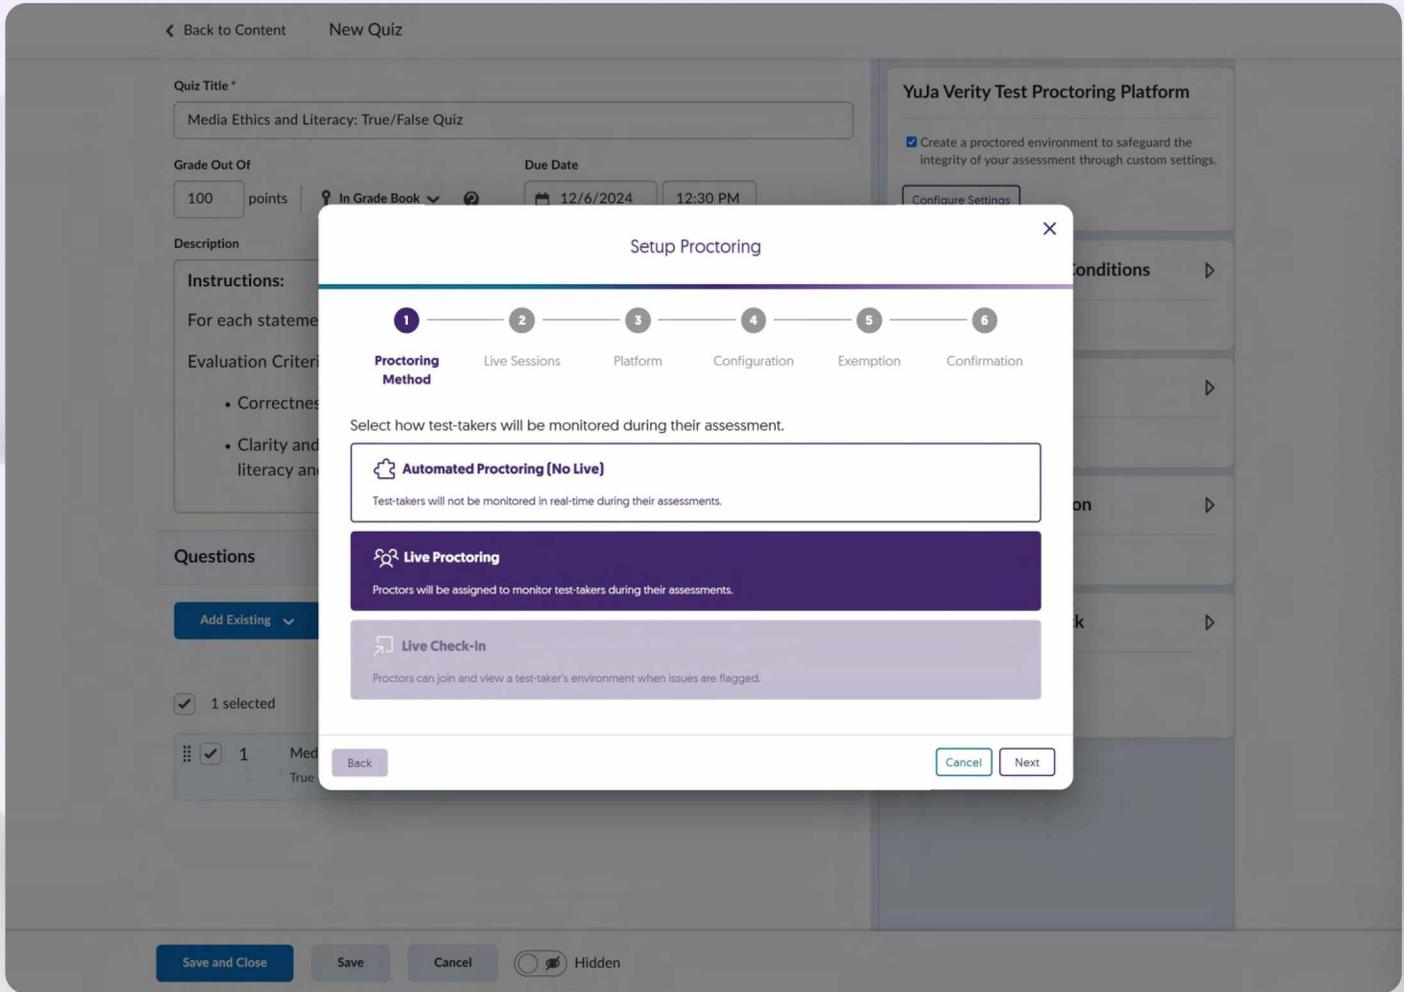

Central Workspace: Displays the quiz title 'Media Ethics and Literacy: True/False Quiz' and a 'Generate Report' button. Below this are four circular indicators representing flag counts: Severe (1), Major (2), Minor (5), and Flags (8). A toolbar below the indicators includes 'Webcam & Screen', 'Room Scan', 'ID Photos', and 'Configurations'. The main area shows a 'Screen Recording' window with a 'Webcam Recording' inset showing a student with glasses.

Right-hand Panel: Shows the student's name 'George Wilson' and a 'Severe' flag level. It includes 'Previous' and 'Next' navigation buttons. The 'Attempt Status' is 'Complete' and the 'Attempt' is '1/1'. Below this is an 'Events' section with a table of recorded events.

Timestamp	Flag Description	Flag Level
