Drag-and-Drop Upload of Any Digital Asset

Upload Any Digital Asset

Ingest, export, or link virtually any video, audio, image or external link.

Unified Media Management

Store your digital assets in one centralized location with flexible user permissions.

Campus Media Library

Create a searchable media library across your institution.

Organize and Categorize

Organize all your content into folders and channels with built-in auto-tagging.

Simplify Video Management Within Your LMS

Blackboard

**Search Inside Your Video Library
in Seconds**

**Quickly Search Captions, Indexes,
Notes, Slides and Comments**

Integrated Web-Based Video and Caption Editing Tools

Intuitive Cuts, Trims, and Insertions

Consistent Editing with Responsive Timeline

Multilingual Caption Editing

Public Enterprise VideoTube to Enhance Presence

The screenshot displays the YuJa Enterprise VideoTube interface. On the left is a purple sidebar with a 'Media Library' header and a back arrow. Below it are navigation options: 'Home' (house icon), 'My Org.' (organization icon), and a list of institutions: Hudson College, Blue Valley, UTSC Campus, North Star Campus, Evergreen College, and Hazel Martin Campus. At the bottom of the sidebar is a 'Library' icon (grid of squares).

The main content area features the 'Hudson University' logo at the top left. At the top right are user controls: a notification bell, a help icon, a 'YuJa Credentials' dropdown, and a 'Log In' button. The central video player shows a video titled 'Emerging Technologies' with a thumbnail of a large robot. The video description reads: 'The future of technology is poised to be characterized by rapid advancements in artificial intelligence, quantum computing, and biotechnology, each driving profound changes across various sectors. As these technologies converge, they are expected to reshape economies, societal structures, and ethical frameworks, necessitating interdisciplinary research and policy innovation to address emerging challenges and opportunities.'

Below the video player are two sections of video recommendations. The 'See What's New' section contains five video thumbnails: 'Space Archaeology' (1 day ago, 1:48), 'Be Open to New Ideas' (1 day ago, 3:30), 'Futurism and Emerging Technol...' (1 week ago, 2:07), 'Business Ethics' (2 weeks ago, 1:29), and 'A Journey Into Astrophysics' (2 weeks ago, 2:46). The 'Frequently Watched' section contains five video thumbnails: 'Framework of the Universe' (4 months ago, 11:38), 'Beyond Tomorrow: Charting the...' (6 months ago, 5:22), 'Digital Marketing Lecture' (6 months ago, 11:57), 'Business Analysis Seminar' (2 years ago, 1:17), and 'Citing Sources' (2 years ago, 1:49).

Video Analytics Provide Insights into Video Impact

In-Video Quizzing with LMS Integration

The screenshot displays the YuJa Quizzes interface. At the top, there's a navigation bar with 'Manage Media' and 'Create Recording' options. Below this, a video player shows a scene with a sun, moon, and earth. An in-video quiz overlay is active, titled 'Add Question at 1:52'. The overlay lists question types: Multiple Choice, Select Multiple, Short Answer, True or False, Reflective Pause, Decision Point, and Fill-In-The-Blank. To the right of the video player, a 'Question List' shows a series of questions related to the solar system. Below the video player, a 'Media Details' panel is visible, showing the video title 'Exploring the Solar System' and options to 'Create Video Quiz' or 'Create Playback Quiz'. The panel also includes a search bar for quiz titles and buttons for 'Edit', 'Delete', and 'Activity Logs'.

Add In-Video Comments and Prompts to Video Quizzes

Create Engaging and Interactive Student Assessments
